Meet the Addison Craftsman, a stunning model home that perfectly blends timeless charm and modern livability in the sought after Hollycrest community. This beautifully appointed 3,070 square foot home is a rare opportunity to own a move in ready masterpiece with an anticipated move in date of end of October and the added flexibility of an optional 60 day rent back, terms negotiable. Offering 3 bedrooms, 2.5 bathrooms, and a thoughtfully designed primary floor living layout, this home delivers everything you could ever want all on one level. The main floor features all three bedrooms including the primary suite, making everyday living as convenient as it is comfortable. Upstairs, a generously sized finished flex space with a powder bathroom offers the perfect setup for a home office, playroom, media room, or guest retreat. A 2-car garage, gorgeous craftsman exterior with classic brick accents, hunter green shutters, a charming covered front porch, and a beautifully landscaped lot round out a home that is as stunning on the outside as it is on the inside. This is your chance to own a one-of-a-kind model home in one of the area's most desirable communities, do not let it pass you by!
