Meet the Cedarfield, finished with our craftsman elevation. This thoughtfully designed home offers 3 bedrooms and 2.5 bathrooms in a layout built for how families truly live. The main level primary suite is a true retreat, complete with a spa inspired bath and generous walk-in closet, while a private study and powder room add everyday function. At the heart of the home, an open concept family room with a fireplace connects seamlessly to the dining area and a well-appointed kitchen, all just steps from a screened porch made for enjoying the outdoors. Upstairs, two additional bedrooms, a full bath, a spacious rec room, and ample unfinished storage give the whole family room to grow. A spacious 2-car garage completes this exceptional home.

Ponder is set between the towns of Wendell and Zebulon, giving you the charm and connection of two communities instead of one. Enjoy a slower pace, a real sense of neighborhood, and easy access to local breweries, boutiques, parks, and festivals, all woven into a downtown history that dates back to 1850. It's no wonder this area is one of Wake County's fastest growing destinations. You're going to love it here!
