Meet the Waverly, finished with a modern farmhouse elevation that brings timeless character to Ponder. This thoughtfully crafted home offers a main level built for everyday living and entertaining, with an open concept family room warmed by a cozy fireplace, a well-appointed kitchen, a generous dining area, and a dedicated study, all complemented by a convenient powder room near the entry. Upstairs, the primary suite offers a true retreat, joined by two additional bedrooms and a full bath, giving everyone their own space to unwind. A screened porch off the main level invites slow mornings and easy evenings outdoors. With a 2-car garage and thoughtful details throughout, this home is ready to welcome you with open arms.

Ponder is set between the towns of Wendell and Zebulon, giving you the charm and connection of two communities instead of one. Enjoy a slower pace, a real sense of neighborhood, and easy access to local breweries, boutiques, parks, and festivals, all woven into a downtown history that dates back to 1850. It's no wonder this area is one of Wake County's fastest growing destinations. You're going to love it here!
