Part of the Signature Plan Portfolio in Everette's Preserve, the Brassfield is a beautifully designed quick move-in home currently under construction on Homesite 11. Offering 3,557 square feet, four bedrooms and three-and-a-half baths, the Brassfield features a first-floor primary suite and generous spaces for gathering, entertaining and relaxing. Its thoughtful floor plan, quality craftsmanship and spacious setting make it an exciting new construction opportunity in Everette's Preserve in Clayton, NC.

Already under construction, the Brassfield provides a quicker move-in timeline while still delivering the elevated, designer-curated experience Homes by Dickerson is known for. Our professional design team thoughtfully selects the finishes, materials and details throughout the home, creating a cohesive aesthetic without requiring buyers to begin the custom building process from the ground up. For those looking for a quick move-in home in Clayton, NC, the Brassfield combines convenience with thoughtful design, craftsmanship and lasting quality.
