BEDROOMS: 4

BATHS: 3 full, 1 half

SQFT: 3,252

COMMUNITY: Everette's Preserve

Part of the Signature Plan Portfolio in Everette's Preserve, the Essington is a thoughtfully planned quick move-in home currently under construction on Homesite 10. Featuring 3,252 square feet, four bedrooms and three-and-a-half baths, the Essington includes a first-floor primary suite and well-designed spaces for everyday living and entertaining. Located in Everette's Preserve in Clayton, NC, this new construction home pairs a spacious homesite with the thoughtful design and craftsmanship of Homes by Dickerson.

Already under construction, the Essington offers a quicker path to move-in without compromising on the thoughtful design and craftsmanship of a Homes by Dickerson home. Our professional design team has curated the selections throughout the home, bringing together finishes and details that create a cohesive and elevated look. Buyers searching for a quick move-in home or new construction in Clayton, NC can enjoy the convenience of a home already underway paired with a designer-curated experience in Everette's Preserve.
