COMMUNITY: Bronze Leaf at Croasdaile Farm

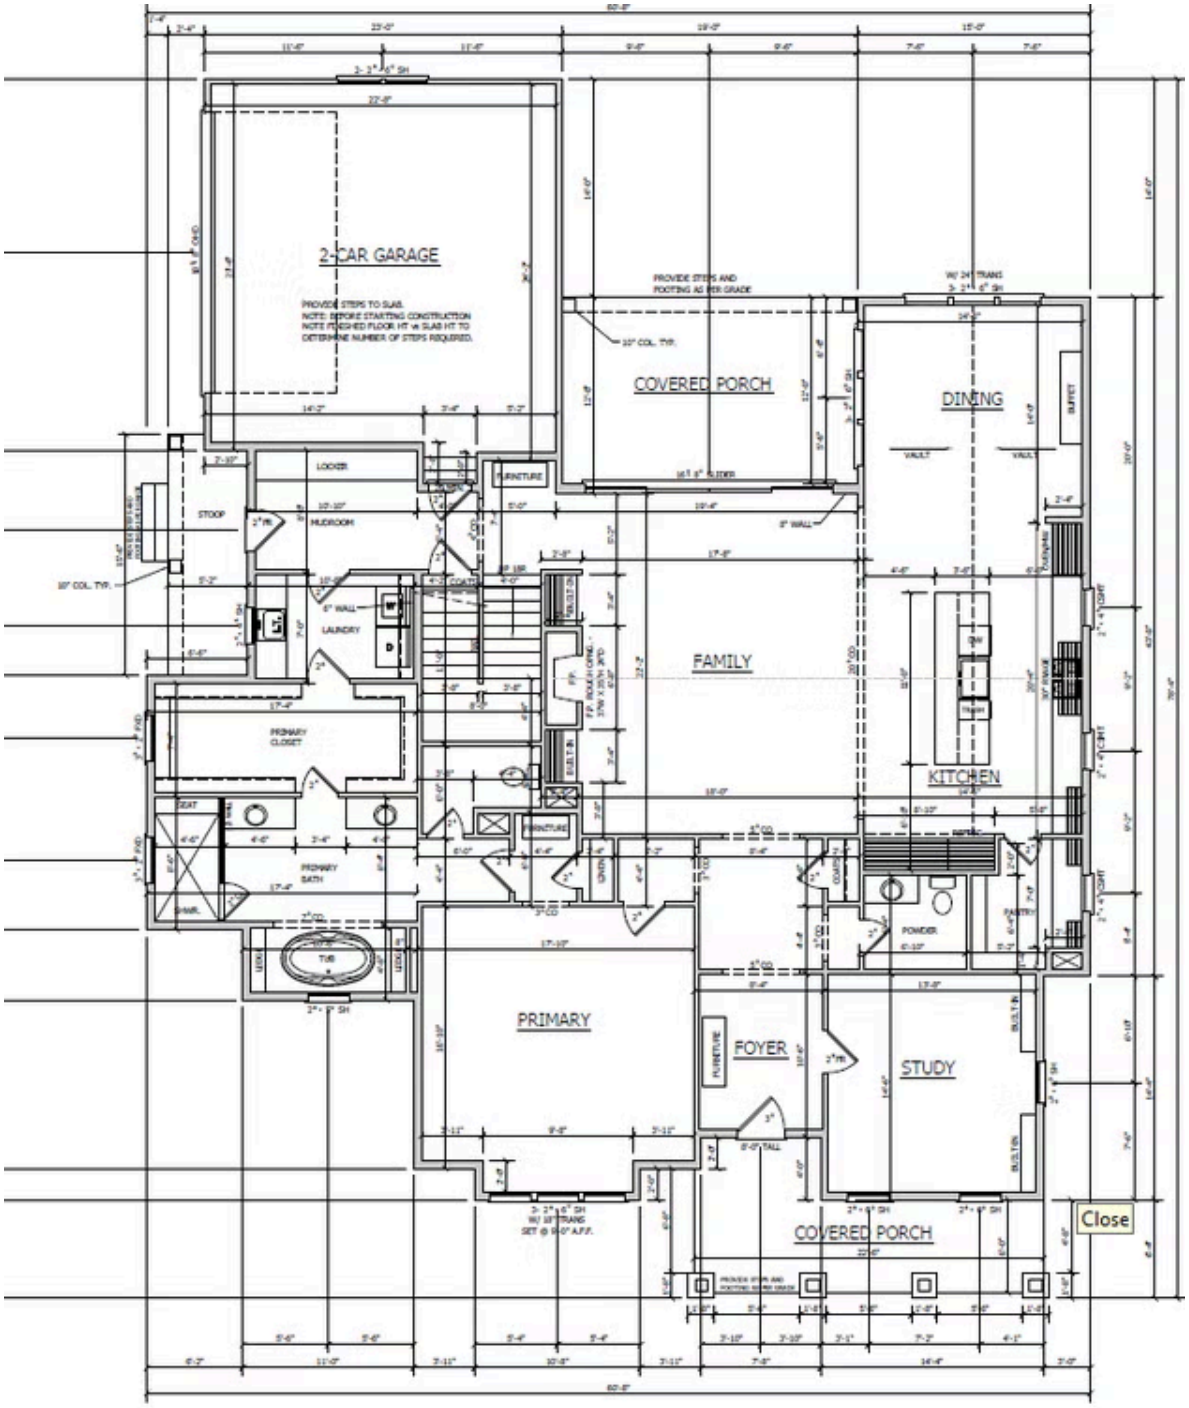

This is the final single-family home available in the sought-after Bronze Leaf section of Croasdaile Farm. Thoughtfully designed for comfort and elegance, this custom plan offers a spacious first-floor primary suite with an oversized walk-in closet, a luxurious bath featuring a freestanding tub, and a tiled shower.

The heart of the home is a large family room with a cozy fireplace and built-ins, seamlessly connected to the kitchen and dining area—ideal for both everyday living and entertaining. Enjoy easy indoor-outdoor living with access to a covered rear porch and private backyard.

A formal study just off the foyer provides a quiet work-from-home space, while a conveniently located laundry room connects directly to the primary closet. A powder room completes the main level.

Upstairs, you'll find three additional bedrooms, two full baths, a second powder room, a generous rec room, and a large unfinished storage area ready for future expansion or organization.
