COMMUNITY: Bronze Leaf at
Croasdaile Farm

Welcome to an extraordinary opportunity at Bronze Leaf at Croasdaile Farm, where one of the last remaining single-family home sites awaits. This stunning custom home makes an unforgettable first impression, with thoughtfully crafted architectural details and lush landscaping that set the tone for the luxury found within. The main floor is designed for effortless living and entertaining, featuring a grand family room, chef's kitchen with scullery, separate dining, a dedicated study, first-floor guest bedroom with full bath, and a gorgeous screened porch overlooking the rear grounds. The first-floor primary suite is a true sanctuary, complete with a spa-inspired bath, generous walk-in closet, laundry room, and mud room, all thoughtfully positioned for ultimate privacy and convenience. Upstairs, two additional bedrooms, two full baths, and an open loft provide flexible living space, while the finished basement takes entertaining to the next level with a rec room, exercise room, full bath, and an outdoor kitchen and patio. Opportunities like this simply do not come along twice, so if you have been waiting for the perfect home in one of the area's most coveted communities, the time to act is now.
