The Harper offers the perfect balance of modern style, thoughtful design, and everyday comfort in one stunning home. With an open layout, spacious family room, and oversized screened porch, this home was made for hosting friends, relaxing with family, and enjoying life at The View. The first-floor primary suite creates a private retreat with a spa inspired bath and generous walk-in closet, while the separate guest bedroom adds flexibility for visitors or a home office. Upstairs, the rec room and additional bedrooms provide plenty of space to spread out, play, or unwind. Designer selected finishes, rich natural tones, and elevated details bring warmth and character to every room. From quiet mornings on the front porch to evenings gathered around the kitchen island, the Harper is a home that makes every day feel special.
