Welcome to Hollycrest! This exceptional single-story home, this French inspired Hutchinson plan, heads a quite cul-de-sac. Enjoy single story living with a generously sized owner's suite, 2 guest bedrooms, a formal study, large kitchen with an island, sliders that open to a covered and screened deck and brushed concrete patio. Plus a 2 car garage with a pedestrian door to the side and back yards. The arches throughout the interior and exterior of the home are stunning. This home has everything you need. Homes by Dickerson's High-Performance Certified-Green Homes are so much more than just energy-efficient, they offer their homeowners peace of mind about their comfort, health, money and overall impact on the environment. Homes By Dickerson is committed to building each of their custom homes with this philosophy in mind, regardless of price point or location, because it is their passion to be good stewards of your money while offering you the best options available when it comes to performance, health and flexibility. Homes in Hollycrest are Energy Star 3.0 Certified homes which also include Lennox Dual Fuel HVAC, Whole-home Dehumidifier, Tankless Rinnai Water Heater, low VOC paint and much, much more.
