Welcome to Hollycrest and this beautifully crafted Craftsman-style Hutchinson plan, perfectly situated at the end of a quiet cul-de-sac. Designed for effortless single-story living, this home features a spacious owner's suite, two guest bedrooms, a formal study, and an open-concept kitchen with a large island. Sliding glass doors connect the main living area to a covered and screened deck with a brushed concrete patio—ideal for indoor-outdoor entertaining. The two-car garage includes a pedestrian door for easy access to the side and back yards, adding to the home's convenience and functionality.

Built by Homes by Dickerson, this high-performance certified-green home offers more than just energy efficiency. With features like Energy Star 3.0 Certification, a Lennox dual-fuel HVAC system, whole-home dehumidifier, Rinnai tankless water heater, and low-VOC materials, it's designed for your comfort, health, and peace of mind. Every detail reflects a commitment to quality and sustainability, making this home a smart investment in both lifestyle and longevity.
