Welcome to the Leland at Pinehurst National, where luxury meets golf course living in one of our most beloved craftsman-style plans. The heart of the main floor is an open-concept kitchen, breakfast/dining area, and family room with built-ins that flow beautifully to a covered deck and private screened porch. The first-floor primary suite offers a peaceful retreat with dual walk-in closets and a spa-style bath, while a guest bedroom, powder room, dedicated laundry, and mudroom round out the main level. Upstairs, two additional bedrooms, a spacious rec room, and generous storage provide all the room you need for family and guests. Come see the Leland for yourself — we have a feeling you're going to love it here.
