COMMUNITY: Corbett Landing

Meet the Shelby, finished with an English Cottage design that brings storybook charm to Corbett Landing in the heart of Pittsboro. A graceful arched entry opens to a foyer that leads into a main level made for gathering, where the family room, dining area, and kitchen with its pantry flow together with ease. Just beyond, a screened porch invites long evenings outdoors, while a study offers a quiet place to work. The first-floor primary suite is a true retreat, with a spa inspired bath, a soaking tub, and an expansive walk-in closet, and a private guest suite on the same level welcomes visitors in comfort. Upstairs, two additional bedrooms with private baths and walk in closets are joined by a spacious rec room, a loft, and a flex space that can become whatever your family needs. With a three-car garage and ample unfinished storage, every detail has been finished with intention, creating a home that feels at once elevated and deeply livable.

Corbett Landing offers estate style living on homesites that average around an acre, with mature trees and the privacy to match. Even so, the neighborhood feels connected, with a pool, a clubhouse, and pocket parks spread throughout, and downtown Pittsboro is close by for small town charm. You're going to love it here!
