Welcome to the Cannon, a home that pairs storybook curb appeal with a floor plan made for the way you actually live. A graceful arched entry sets a warm and inviting tone, opening to a foyer that gives way to a main level designed for connection. The expansive family room flows seamlessly into the kitchen and its scullery, creating a natural gathering place for everything from quiet weeknights to lively celebrations. A formal dining room and a screened porch with a fireplace extend the entertaining outdoors, with a deck just beyond for cool evenings and long conversations.

The primary suite is a serene retreat on the main level, complete with a spa inspired bath and a generous walk-in closet. A study, a private guest suite, and a thoughtful mud room with a locker area keep daily life organized and welcoming. Upstairs, two additional bedrooms, each with its own bath and walk in closet, surround a spacious rec room that is ready for movie nights, game days, or whatever your family dreams up. The Cannon is more than a floor plan; it's where your next chapter feels like home from the very first step through the door.

Corbett Landing offers luxury estate style homesites of up to 2 acres within the charming town limits of Pittsboro, with a community pool, fitness room, indoor meeting space, grills, and walking trails at the heart of the neighborhood. Its location at the crossroads of the Triangle and Piedmont puts you close to both regions, while downtown Pittsboro adds small town charm with a farmer's market, local breweries, a distillery, antique shops, and restaurants where fresh and local come first. You're going to love it here!
