COMMUNITY: Corbett Landing

Step inside this stunning custom plan in Corbett Landing, where a soaring two-story foyer sets an unmistakable tone of refined elegance from your very first moment home. The open kitchen, scullery, and fireside family room are designed for effortless entertaining, whether you're hosting an intimate dinner or a lively celebration. Retreat to a main-level primary suite, a private sanctuary anchored by a spa-inspired bath that transforms daily routine into indulgent ritual. Beyond, a screened porch, deck, and flagstone patio extend gracious living outdoors, made for savoring quiet mornings and unwinding beneath the evening sky. For those who golf, the three-car garage's private simulator room offers a rare, coveted amenity found in only the finest homes. Upstairs, three additional bedrooms surround a spacious recreation room and kitchenette, perfect for hosting guests or creating a haven of your own. A dedicated exercise room with an adjoining yoga studio completes the second floor, offering a serene space to move, breathe, and restore without ever leaving home. Every detail reflects a level of craftsmanship built to be admired for generations. This is more than a home, it's a lifestyle worth stepping into.
