BEDROOMS: 4

BATHS: 4 full, 1 half

SQFT: 3,738

COMMUNITY: Corbett Landing

Ideally situated on a coveted cul-de-sac lot adjacent to a neighborhood pocket park lies the Brighton. This custom luxury home features a main-level primary suite and study, along with a powder room and laundry room with sink. The second floor offers three bedrooms, three full bathrooms, and a spacious rec room. The main living areas showcase a vaulted kitchen and dining space with exposed beams, opening to a screened porch with fireplace. Thoughtful details include custom trim work in the study, built-in bookcases flanking the family room fireplace, and a scullery complete with base and wall cabinetry, sink, and beverage refrigerator. Additional highlights include lockers in the owner's entry, designer wallpaper in the powder room, and hard surface flooring throughout the main level. The home is finished with custom features throughout and a fully landscaped yard with irrigation.
