The Jubilee House was designed to celebrate 50 years of craftsmanship, innovation, and custom homebuilding by Homes by Dickerson. This one-of-a-kind residence features a private courtyard with a stone fireplace, a sparkling pool, and an expansive kitchen illuminated by skylight windows. Inside, a media room with a full video wall and whole-home smart technology offer the ultimate in modern living. The luxurious primary suite includes a walk-in shower and sauna, while custom lighting highlights every detail. More than a home, The Jubilee House is a tribute to five decades of thoughtful design, enduring quality, and meaningful milestones.
