FLOOR PLAN: Cannon

Welcome to the Cannon, a home that pairs storybook curb appeal with a floor plan made for the way you actually live, in the sought-after Lowery Estates community of Wake Forest. A graceful arched entry sets a warm and inviting tone, opening to a foyer that gives way to a main level designed for connection. The expansive family room flows seamlessly into the kitchen and its scullery, creating a natural gathering place for everything from quiet weeknights to lively celebrations. A formal dining room and a screened porch with a fireplace extend the entertaining outdoors, with a deck just beyond for cool evenings and long conversations.

The primary suite is a serene retreat on the main level, complete with a spa-inspired bath and a generous walk-in closet. A study, a private guest suite, and a thoughtful mud room with a locker area keep daily life organized and welcoming. Upstairs, two additional bedrooms, each with its own bath and walk-in closet, surround a spacious rec room that is ready for movie nights, game days, or whatever your family dreams up. The Cannon is more than a floor plan; it's where your next chapter feels like home from the very first step through the door.
