With the use of our preferred lender and attorney, you can apply \$30,000 toward a rate buydown, design upgrades, or closing costs helping you tailor your home and financing to fit your needs. Use as you choose!

The Shelby Floor Plan by Homes By Dickerson is a custom built new construction home offering 3,860 square feet of open living space. The main level features an owner's suite, a guest bedroom, an optional study or dining room, a scullery/pantry, and a spacious owner's entry, along with a three car garage. Upstairs includes a rec room, loft, walk in storage, and three additional bedrooms served by two full bathrooms.
