Meet the Bellamy, finished with our modern farmhouse elevation and designed with today's families in mind. The main level welcomes you with an open concept family room and fireplace, a well-appointed kitchen, a dedicated study, and a dining area that flows effortlessly for both everyday living and entertaining. A powder room and coat storage near the entry add convenience right where you need it most. Upstairs, the primary suite offers a true escape with a spa inspired bath and a spacious walk-in closet, joined by two additional bedrooms, a full bath, a laundry room, and a versatile rec room. With a 2-car garage and a layout built to last, this home is ready for your next chapter.

Ponder is set between the towns of Wendell and Zebulon, giving you the charm and connection of two communities instead of one. Enjoy a slower pace, a real sense of neighborhood, and easy access to local breweries, boutiques, parks, and festivals, all woven into a downtown history that dates back to 1850. It's no wonder this area is one of Wake County's fastest growing destinations. You're going to love it here!
