Meet the Meadowmont, finished with a coastal elevation that brings relaxed elegance to Ponder. This thoughtfully designed home offers a main level guest bedroom with a full bath, perfect for visitors or multigenerational living, alongside an open, light filled layout that makes everyday living feel effortless. Soft, coastal inspired tones and premium finishes run throughout, creating a sense of calm sophistication in every room. Upstairs, the primary suite offers a true retreat, joined by two additional bedrooms and a spacious rec room for movie nights, play, or a second living space. A 2-car garage and quality craftsmanship throughout round out a home built to the elevated standard you expect from a true luxury builder.

Ponder is set between the towns of Wendell and Zebulon, giving you the charm and connection of two communities instead of one. Enjoy a slower pace, a real sense of neighborhood, and easy access to local breweries, boutiques, parks, and festivals, all woven into a downtown history that dates back to 1850. It's no wonder this area is one of Wake County's fastest growing destinations. You're going to love it here!
