This stunning home design features an open-concept main living area that is flooded with natural light. The spacious breakfast area conveniently serves as the primary dining space, allowing the formal dining room to function as a home office or study- ideal for remote work. Step outside to the expansive covered screened porch, perfect for savoring your morning coffee or unwinding with friends in the evening. The main level also includes a guest suite for added convenience.

Upstairs, the owner's suite boasts a luxurious large walk-in shower and a double vanity. Two additional bedrooms share a bathroom equipped with double vanity sinks, ensuring comfort for all. A generously sized rec room invites family gatherings and fun-filled moments together. And there's even more! Access the third floor attic, offering about 650 square feet of unfinished space to tailor to your needs.
