COMMUNITY: Wendell Falls

Meet the Columbia Craftsman, a beautifully designed floor plan that brings together timeless style and modern livability in the heart of Wendell Falls. This impressive home offers 3 bedrooms, 2.5 bathrooms, and a layout that truly works for the way families live today. The main level is nothing short of spectacular, featuring a massive open concept family room with built ins, a well-appointed kitchen with pantry, a generous dining area, and a large, screened porch perfect for enjoying Carolina evenings. The first-floor primary suite is a showstopper, complete with a spa inspired bath, walk in closet, and convenient main level laundry just steps away. A private study, powder room, and owner's entry with locker round out a first floor that has thought of everything. Upstairs, two additional bedrooms, a spacious rec room, a loft, and ample unfinished storage give your family all the room they could ever need. With its gorgeous craftsman exterior featuring stone accents, a covered front porch, and a 2-car garage, the Columbia Craftsman is the total package in one of the Triangle's most sought-after communities.

Enjoy all the incredible amenities of Wendell Falls which include two pools, a 24-hour fitness center, over 10 miles of trails, several parks, and playgrounds. Super convenient quick drive to Treelight Square with Publix, boutique shops, services, and dining options that will please everyone. You are going to LOVE it here!

* please note the floorplan will be flipped *
