This stunning 3-bedroom, 3-bathroom home is thoughtfully designed for effortless one-level living, with a first-floor primary suite, a second main-level guest bedroom, and a private study rounding out a main level built for how today's homeowners actually live. At the heart of the home, an open concept family room with a cozy fireplace flows seamlessly into a well-appointed kitchen and dining area, all leading out to a screened porch made for relaxing evenings. The primary suite offers a true retreat, complete with a spa-inspired bath and generous walk-in closet, while a conveniently located laundry and owner's entry add everyday ease. Upstairs, an additional bedroom, full bath, spacious loft, and ample unfinished storage provide flexibility for guests, hobbies, or however your family grows. Finished with timeless farmhouse curb appeal, premium exterior details, and quality craftsmanship throughout, the Rosemary reflects our commitment to building true luxury in every detail. With a 2-car garage and a level of finish you'd expect from a custom home, this is a rare chance to own one of Wendell Falls' most sought-after plans.
